

APPLICATION FOR SWIMMING CLASSES – BEAU SEJOUR SWIM SCHOOL

Thank you for your enquiry regarding children's swimming lessons. Please find enclosed an application form which should be completed and returned to the address above.

Adult and Child – Discovery Duckling weekday classes are designed to introduce very young children from 5 months to 3 years of age and their parents, to the pleasures of the water. The children are grouped according to age and classes are each weekday during school term time and during school hours.

Adult and Child – Discovery Duckling Saturday Classes – Saturday classes for working Mums and Dads with their baby/preschool child who have not been able to attend our sessions previously due to work commitments.

Preschool – Little Paddlers classes provide a gentle introduction to swimming for children aged from 3 years to school age. With small classes of no more than 5 children, the aim is to develop water confidence and introduce basic water skills leading to swimming unaided. Classes are on weekdays during school term time and during school hours.

After School Programme is for those children in full time education and suitable for all abilities. The Swim School follows the Swim England Learn to Swim Pathway with children grouped according to ability

Beau Sejour Barracudas - the Barracudas are the competitive squads. Entry is by assessment only usually via the Swim School. The Barracudas follow a comprehensive training programme, leading to success at Island, Channel Island, County, Regional, National and International level.

Swim Mark Accreditation - the Barracudas have received Swim Mark accreditation from the sport's governing body – Swim England and The Swim School is a Swim England Swim School member. This means that we are dedicated to creating the best possible swimming lesson experience. It is your guarantee of quality provision for your child. We are proud to be the only swimming lesson provider in the Island with this accolade. Our Swim School teachers are ASA qualified, in addition to holding the National Rescue Award for Swimming Teachers and Coaches or Swimming Teachers Association Safety Award.

If you are applying for lessons for very young members (Adult and Child and Preschool) we recommend that you also make an application, without commitment, for the Preschool and After School programmes at this stage.

While we will do our very best to offer you a place immediately, due to the popularity of our classes, there may be a small wait, however, as soon as a vacancy occurs we will contact you to offer a place.

We look forward to receiving your application form.
